PUMPS

JR JR PUMPS® Italian Pumps | Made in Thailand | China

Italian design shallow well / deep well jet pump (Thailand/China)

SHIMADA CENTRIFUGAL PUMP

Single stage / multi stage centrifugal pump (Thailand/China)

ESPA *Innovative Solutions*

Centrifugal / submersible pump (Spain)

PACER Division of ASM Industries, Inc.

Thermoplastic pump (USA)

SHIMADA SUBMERSIBLE PUMP

Submersible sewage / sump pump (Thailand/China)

Dintec®

DIN24255 centrifugal pump / vertical multi stage pump (China)

SPG

Rotary drum / gear pump (Thailand/China)

VERSA-MATIC®

Air operated double diaphragm pump (USA)
Metallic / non-metallic body

mpump

Air operated double diaphragm pump (Malaysia)
Metallic / non-metallic body

MONARK® SELF PRIMING CENTRIFUGAL PUMP

Self priming centrifugal pump (Thailand/China)

KYOWA CO., LTD. Tsurumi-ku, Osaka, Japan

Hydrotest pump / pressure washer (Japan)

SINGLE DIAPHRAGM PUMP

Single diaphragm pump (China)

KEMPION

Chemical metering pump / drum pump (Korea)

HENG SHENG GEAR PUMP

Internal and external gear pump (China)

Miyazaki

Japanese type home pump (Thailand)

SUBMERSIBLE DEEPWELL PUMP

Submersible deepwell pump with motor (Taiwan)

SPARE PARTS

EVERGUSH®

Submersible sump / sewage / cutter / grinder pump / centrifugal pump (Taiwan)

MISTING PUMP

Misting pump with controls and fittings (Taiwan)

MECHANICAL SEAL

Replacement mechanical seal

COMAR Condensatori

Capacitor (Italy)

SPARE PARTS		DRAIN AUGERS	ACCESSORIES
REPLACEMENT DIAPHRAGM & BALL  Replacement diaphragm for Wilden, Versa-Matic, M-pump brand air operated double diaphragm pump	REPLACEMENT BLADDER  Replacement bladder for Zilmet bladder type pressure tank	 Professional drain cleaning equipment	 Float switch / floatless relay (Italy)
ACCESSORIES			
 Pressure switch (Italy)	 Flow control for dry pumping protection	 Paddle type flow switch	 Air volume control for hydropneumatic pressure tank
 Float switch (Japan)	 Brass check valve / foot valve / 5 way connector / air discharge valve / heavy duty float valve (Italy)	 Surge arrester, 1 phase and 3 phase	 Single pipe ejector 2", double pipe ejector 3" and 4"
		PRESSURE TANK	
 Brass body, stainless leaver with PE float ball (Italy)	 Plastic float valve (China)	 Diaphragm pressure tank (Italy)	 Bladder pressure tank (Italy)

PUMPS • ACCESSORIES • SPARE PARTS • PUMP SYSTEM INSTALLATION • DESIGN • MAINTENANCE

GENERAL PUMPING APPLICATION:

- Pressure boosting
- Fire protection
- Water transfer or circulation
- Washing and cleaning
- Water and wastewater treatment
- Liquid/ chemical transfer

PUMPING SOLUTIONS APPLICATIONS:

- Residential home
- Commercial building
- Industrial
- Automotive
- Oil and mining
- Construction
- Agriculture
- Hotel and resort
- Manufacturing
- Chemical manufacturing
- Food and beverage
